FOR MYSORE STATE

Public Servants – Sandur – State staff – Absorption as lower division clerks in the Madras Ministerial Service – Orders passed –

Extracts from the Board's Ref. No
W. 5913/49-3 dated 15.1.50

Subject:- States - Sandur - Merger - Establishment - Absorption of staff under Madras Govt.

4. Statement No. 1 - Section II: The four persons mentioned in this section do not possess the minimum general educational qualification but are stated to be otherwise qualified for the post of Lower Division clerks. As pointed out by the Collector of Bellary these persons will have to be kept on only in the State scale of pay and allowances and finally retired under the State Rules as laid down in para 2(iii) of G.O. Ms. No. 355, Public (Political), dated 26-3-1949 Such members cannot be regarded as members of the Madras Government services. The concessions granted to all State employees (including Sandur) in G.O. Ms. No.3490/49, Public (Political), dated 14-10-1949 apply only to those employees who possess the minimum general educational qualification but who have not acquired the departmental qualifications prescribed for the posts in which they are absorbed. These four persons have requested that they may be allowed pay and allowance at Provincial rates or at least dearness allowance at Provincial rates. The Board considers that there will be no insuperable objection to grant these persons dearness allowance at least at Provincial rates on the analogy of the provision in G.O. Ms. No. 2732, Public (Political), dated 16-8-1949 in the case of persons who were yet to acquire the requisite departmental qualifications to whom the Provincial scales of pay also were granted subsequently in G.O. Ms. No. 3490/49, Public (Political), dated 14-10-1949. The Board recommends that these four persons may be permitted to draw dearness allowance at Provincial rates and that they may also be permitted to appear for the Public Service Commission's examination of the S.S.L.C. Standard, to qualify themselves for the Provincial scales of pay and further promotions. Of the four persons mentioned in this section, the Collector has promised to send a further report in respect of Sri K. Bharmial It will be submitted to the Government on receipt.

Extract from the Bellary Collectors
No C.5363/49-S I dated 21.10.49

Section II: This section deals with officials who do not possess minimum general educational qualifications but who are otherwise fit for retention. According to paragraph 2(iii) of G.O. Ms. No. 855, Public (Political), dated 26-3-49 unqualified persons if found fit should be retained in service on their previous pay scales. They will be governed by and retired under the State rules and should not be regarded as members of any of the Madras Government Services. My proposal to relax the rules regarding minimum general educational qualification has not been approved as under G.O. No. 855, dated 26-3-1949 such persons have to be continued only on the State scales of pay. The cases in this section are considered below one by one:--

Item No. 1 - Sri D.M. Eswariah: is willing to continue on the previous scales provided he is given dearness allowance at Madras Government rates. If this is not allowed, he is unwilling to serve and wants to retire. As the rules now stand, he will be eligible for D.A. according to Sandur State rules and not at Madras rates. I recommend that he may be given D.A. at Madras Government rates and if this is not possible for any reason, he may be retired with pension and compensation for loss of career. His statement is enclosed.

Item No. 2 - Sri K. Bharmiah: The Special Officer has not sent his consent statement and I have called for it. I shall submit a further report in the matter.

Item No. 3 - Sri H. Bhimasena Rao:- He is willing to be retained in Sandur State scales of pay and Madras dearness allowance. He wants two years' time to qualify himself in Higher Grade typewriting so that he could be absorbed as a Typist in Madras Government service. At present he is not even qualified in Lower Grade typewriting. His statement is enclosed. His request may be granted.

Item No. 4 - Sri K.V. Narasimha Achar: He is willing to be retained in the Sandur Scales. He is qualified in Lower grade typewriting and is appearing for the Higher grade examination which is coming off this month, so as to enable him to qualify himself for absorption. He is an unqualified hand from the point of view of educational qualifications. He will have therefore to be continued on State scales of pay or retired suitable pension and on compensation. I must, however, mention in passing that they are able typists and in these days of acute shortage of suitable typists, these will fill in the gap very well, provided they are exempted from the minimum educational qualifications.

Sir,

Sub: State Servants - Absorption in Madras Services -
Ref: Your R.C.No.165/49B(S.O.) dated 7th May 1949.

---

I duly acknowledge the receipt of the notice issued to me in your reference cited above asking me to notify my willingness or otherwise to continue in service under the new administrative set up. In this connection, I beg to state that I am quite willing to continue in service and my following claims may be sympathetically considered in appointing me under the new set up.

2. I am a confirmed Government servant of the Sandur State and have put in 21 years of service. I was confirmed from the date of my first appointment. I have worked in various capacities in the State, ~~xxxxxxx~~ chiefly ~~xxxx~~ as Head Clerk of the General Section. So much so, I have got an all round knowledge of the routine adminstration of the Government of Sandur, ~~which comprises~~ of all departments. I was working as Treasury Head Accountant for a long time, and subsequently as Treasury Assistant, which post I am holding at present. Both these posts are equal to the post of a ~~Treasury~~ Taluk Head Accountant of the Madras Government. I was also the double lock officer of the State Treasury till 29-7-48. I have been working as Second Grade Assistant in Treasur Section in the scale of Rs.60-5-110, the maximum of which is nearly the same as that of a ~~Treasury~~ Taluk Head Accountant in the Madras Gover ment. I would have reached the maximum of Rs.110/- in this grade, if I were to continue undisturbed in the State services. It may not be out of place to mention that the responsible work of preparing the State Budget was being entrusted to me from the last nine years. All these go to show that I was occupying an important position in the State Treasury Section.

3. Besides holding a responsible position stated in the above paragraph, I used to enjoy manifold privileges in Sandur. Free education was imparted to my children, as also free medical aid

~~would not be~~ subjected to frequent transfers as my

service was stationary. House rents, cost of food grains were a savings to me as Sandur is my native place.

4. For the reasons stated above, I request that I may kindly be appointed as ~~Treasury~~ Taluk Head Accountant in Madras Government.

5. The passing of 3 parts of Revenue Tests and 2 parts of Accounts Tests is compulsory for the post of a ~~Treasury~~ Taluk Head Accountant in Madras Government. I am now aged 44 years. The compulsion of passing all the fi tests at this advanced age of mine will be a heavy strain on me. Therefor I request that I may kindly be exempted from passing the three parts of the Revenue Tests. I may add that my past knowledge of Government administration will help me in carrying on the routine duties of the Revenue Department in the Madras Government. I may be given time for five years to pass the Accounts Tests which are essential for carrying on the Treasury work. In the meanwhile I may also be deputed for Treasury training.

6. For the reasons detailed above, I request that I may kindly be appointed as ~~Treasury~~ Taluk Head Accountant in the Madras Government and my previous service in Sandur State may be counted as continuous service in Madras Government.

I beg to remain,
Sir,
Your most obedient servant,

Sandur,

Public Servants - Sandur State employees Persons not possessing the minimum general educational qualification - Absorption in Madras Govt. Service.

Extracts from the Bd. of Rev Refce. Nos W. 5913/49-3 dated 5.1.50 and W. 5913/49-4 dated 13.2.1950

To U.S

The file relates to the absorption of some of the erstwhile Sandur State employees who do not possess the minimum general educational qualification, as lower division clerks in the Madras Govt service. The extracts on pp 1-2 and 17 C.F may be perused. The cases of the 4 persons mentioned ~~xxx~~ in ~~xxxx~~ the statement extracted on p 3 C.F are dealt with below :-

2 Sri D.M. Eswariah :- It is reported that this person is willing to continue as a L.D. clerk on the Sandur St scales of pay provided he is given dearness allowance at the Madras Govt rates and if this is not allowed, he is unwilling to serv and wants to retire. The Collr of Bellary recommends that he may be given D.A at the Madras Govt rates and that if th not possible for any reason, he may be reti with pension and compensation for lo of career.

3 Sri K. Bharamiah :- It is reported that this person is prepared to continue as L.D.C ~~xxxx

he now states that he is not suitable for absorption as clerk. The body now states that he may be retired with a pension and compensation for loss of ~~case~~ career

4 Sri H. Bhimasenarao - It is reported that he is willing to continue in the Sandur State scales of pay and at Madras rates of dearness allowance. It is also reported that he wants two years time to qualify himself in Higher grade typewriting so that he can be absorbed as a typist in Madras Govt. Service

5 Sri K.V. Narasimha Achar - It is reported that he is willing to continue in the Sandur State scales of pay.

The body of Bellary has stated that his proposal to relax the rules regarding minimum general educational qualification in respect of the above 4 persons has not been approved as under Gr. O. Ms. No. 855 Public (Poll) (Such persons have to be continued only on the State scales of pay) dated 26.3.49. This was presumably done by the Bd. itself in view of the orders contained in that Gr. O. The Bd. has made only one recommendation in respect of all the four persons referred to above as mentioned in the preceding paragraph ~~and is, therefore, dealt with together in the following~~

6 In the circumstances stated by it, in its Reference extracted on Pp 1 and 17 C.F, the Bd. of Rev has recommended that the four persons referred to ~~above~~ above may be permitted to draw dearness allowance at the Madras Govt rates and that they may also be permitted to appear for the Public Service Commission examination of S.S.L.C Standard to qualify themselves for the Madras Govt Scales of pay and further promotions. The Bd's recommendation is presumably that these four persons

may be retained in Madras Govt. Sew as L.D.Cs on the Sander State sc. of pay in the first instance and absorbed regularly as L.D.Cs in the Madras Ministerial Service and permitted to draw increments only after they pass the P.S.C. examination of S.S.L.C standard as contemplated in the general orders in para 2(iv) of G.O.Ms.No.855 Public (Pol) dated 26.3.1949 as subsequently amended

Fr 1-2 of (U)

1 Appointment to the category of L.D.Cs in the M.M.S is done either by direct recruitment under rule 2 of the special rules for that Service or by ~~transfer~~ from any other Service for special reasons under rule 3(e) of the same rules. As the employees of the former Sandur State cannot be deemed to belong to 'any other Service' of this Govt, the ~~they~~ persons referred to above will have to be absorbed in this Govt's service only as direct recruit if it is eventually decided to absorb the ~~the above mentioned persons~~ as L.D. clerks under this Govt. Direct recruitment to the category of L.D.Cs is made by the M.P.S.C on the results of open competitive examinations — ~~vide rule 2 of the Spl. rules relating to M.M.S~~ Under rule 30 of the same rule no person shall be eligible for inclusion of his name in the list prepared by the M.P.S.C, if he would have attained the age of 25 years on the first of July of the year in which the examination is held. Under rule 31 of the above rules, no one

Fr 1 of Para 114

Fr 188 of Para 114

P.T.O

will be eligible for appointment to the posts of L.D.C unless he possesses the minimum general educational qualification prescribed in the Schedule to the General Rules. Besides, under rules 28 and 29 of the M.M.S Rules the rules relating to communal and linguistic rotation applies to all such appointments. The rules referred to above will have to be relaxed to the extent necessary to enable the absorption of the above 4 persons, if it is decided to absorb them as L.D.Cs in the Madras Ministerial service.

8. In this connection it is submitted that in the case of Udukkottai and Bangenapalle States, has been proposed by this Govt and agreed to by the Public (Pol) and Finance Depts to, the Govt have absorbed the State employees who do not possess the minimum general education qualification also as L.D.Cs in the Madras Ministerial Service straightaway by relaxing the relevant rules to the extent necessary. Persons over 40 years of age were totally exempt from all qualifications required for the posts in which they are absorbed, on the ground that they were too old to appear for the examinations. Sri D.M. Eswariah and Sri K.V. Narasimha Achar are 40 years or above and it will be very difficult for them to appear for the P.S.C examination of S.S.L.C Standard and get qualified at their age as recommended by the Bd. On the analogy of the cases referred to above, it is for orders whether Sri D.M. Eswariah

Ph. see Govt Memo No 2 WF dt 14-3-50 of G.O. Ms. No. 751 Rev dt 14-3-50 at (T) record

Ph see the Statement on P 3 C/F

and Sri K.V. Narasimha Achar may be totally exempted from the minimum general educational qualification & absorbed as L.D.Cs in the Madras ~~Govt Service by~~ Ministerial Serv by relaxing the relevant rules to th extent necessary. The other two candida viz Sri K. Bharamiah and Sri H. Bhimasenalas who are well under 40 years of age may, perhaps, be absorbed in the Madras Ministerial Service as L.D.Cs by relaxing relevant rules, subject to their passing the P.S.C. examination of S.S.L.C standard within 2 years from the date of their ~~absorption~~ absorption in posts under this Govt ~~Service~~ As the M.P.S.C selects the candidates for appointment by direct recruitment as L.D.Cs in the Madras Govt Services, the concurrence of that ~~body~~ is necessary for the absorption of these candidates in the category of L.D.Cs under the latter part of Regulation 18(b) of the M.P.S.C regulations. The file may be sent to Public (Poll), Public (Ser) and Fin depts for remarks. [ The necessary draft to the M.P.S.C will be submitted on return of the file from the depts.

This file deals with the proposal of absorption of certain members of the erstwhile Sandur State into posts under this Govt. in the Revenue Deptt. Notes of Revenue on p.p.1-5 above may be perused. Remarks of this department are called for on the proposals of absorption of the said staff. Their cases are briefly examined below:-

Sri D. M Eswariah: He is reported to be not possessing the minimum general education qualifiction. Revenue propose to absorb him as lower division clerk in the Madras Ministerial service after relaxing relevant rules in his favour. This department may agree.

Sri K. Bharamiah: As Sri K. Bharamiah, a permanent state servant has expressed his willingness to serve the Madras Govt. this deptt. may agree with Revenue for relaxation of relevant rules in his favour and for his absorpiton in the Madras Ministerial service as l.d.clerk. He will no doubt draw the pay that he was getting prior to merger and Madras rates of dearness allowance. It does not seem necessary to stipulate that he should pass the Public Service Commission examination of the S.S.L.C. standard within a period of two years as proposed by Rev. He may however be informed that when he passes the said test, he will be ~~xkx~~ eligible to draw the Madras scale of pay for the post he holds.

Sri H. Bhimasena Rao: As Sri H. Bhimasena Rao has expressed his willingness to work as typist in the Revenue departmer and as the Special Officer considers that he may be continued as typist on the pre-merger scale, this deptt. may suggest that he may be absorbed as typist in the Madras Ministerial service by relaxing relevant rules in his favour instead of L.D.Clerk ~~on~~ proposed by Revenue on p.5 ante.

Sri K.V.Narasimha Achar: In the circumstances explained

by Revenue in their notes at p.p.4-5 ante, this deptt. may agree with the proposal at A on p.5 ante M.C.M. ~~should~~ may see.

In view of the orders issued in Memorandum No.981 /50-2 Pub.(Poll.), d/6-3-1950, the Sandur State employees are eligible for the Madras rates of d.a. with effect from 1-9-1949.

With the above remarks, the file may be passed on to Finance.

Sri H. He appeared for the typewriting examination in lower grade and failed. He is at present drawing pay as typist in the grade of Rs 35-3-65. At present the Sandur State scale of pay will be advantageous to him. Even if he passes the typewriting examination in lower grade and the M.P.S.C examination of S.S.L.C standard, the Madras Govt scale of pay will be disadvantageous to him. ~~As Also~~ If he does not pass the M.P.S.C examination of S.S.L.C Standard but passes the typewriting examination in higher grade the Madras Govt scale of pay will also be less advantageous to him. ~~in the maximum limit of the pay~~. The pay of the candidate may, therefore, be fixed on the Sandur State scales of pay and the Madras Govt rates of dearness allowance subject to the condition that when he passes the Public (or) examination of S.S.L.C standard and the Govt technical examination in typewriting by higher grade, he will be eligible to draw Madras Scale of pay for the post he holds.
